Authorization for Early Childhood Supervisor

**Background**

Oregon Administrative Rule 581-15-1100 has established the federally required highest qualified personnel standards for the EI/ECSE program and delineates four categories of personnel who provide EI/ECSE services. These personnel include:

(a) Supervisors;
(b) Early Intervention and Early Childhood Special Education Specialist;
(c) Related servers; and
(d) Early Intervention and Early Childhood Special Education assistants.

The OAR also states the minimum level of education, experience and additional requirements for each of the aforementioned personnel categories and specifically states that:

“Early Childhood Supervisors shall possess a minimum of a masters degree in early childhood education, special education or a related field and have three years experience with infants, toddlers, young children, and families. Supervisors shall meet the requirements of the competency process established by the Department by October 1, 1998 or within 12 months of employment thereafter.”

**Early Childhood Supervisor Defined**

Early Childhood Supervisors are defined in OAR 581-015-0900 as:

“Professionals who supervise and train staff, design curriculum, and administer early intervention or early childhood special education programs.”

**Roles of the Early Childhood Supervisor**

The specific roles of the Early Childhood Supervisor are also delineated in OAR 581-015-1106. The OAR states that:

“Responsibilities of the Early Childhood Supervisor may include but are not limited to:

(a) Oversight of EI/ECSE services;
(b) Supervision and training of personnel in EI/ECSE programs;
(c) Serving as administrative representative at Individualized Family Service Plan meetings;
(d) Facilitating meetings with personnel and families; and
(e) Facilitating interagency collaboration.”
The Early Childhood Supervisor Authorization

Early Childhood Supervisors performing roles consistent with the aforementioned OARs and without a Teacher Standards and Practices Commission (TSPC) issued administrative license employed on or after October 1, 1998 are required to hold the Early Childhood Supervisor Authorization.
